Hand programme (ESP)

A band of absolutely amusing girls and boys who love pranks, mischief, roguery...but without malice. Their sole intention is to play, have fun and convert a boring summer afternoon into pure emotion. La banda de los mocosos invites us to sing, think, feel, dance...With this play we discover the importance of imagining and sharing games. With *La banda de los mocosos* time flies.

La Carpa Teatro is a company from Malaga that for 30 years has been making adults and children laugh all over Spain. Colour, movement and above all their connection with the audience are the foundations of their shows.
