After repeated requests from the anxious audience of *Love of Lesbian*, the show *E&E* returns to theatres. *Especjos y espejismos (Mirror's & Mirages)* is not a play nor a musical. It could be defined as a dramatised concert based on the dreamlike song repertoire of Love of Lesbian. Music as the reflection of our reality? Or music to create mirages in which to find shelter? A duality often found in one same tune and one same verse.

The new updated staging of *E&E* will include some pieces from *El poeta Halley* (2016), but will conserve its magical and minimal essence. Guillem Albà has conceived staging where Chinese shadows, puppets and other theatrical elements will take centre stage to reproduce the proper emotional *atrezzo* for each situation.
